## COVID-19 Prevention Guidelines and Recommendations for Teams & Red Zone

Published: December 25, 2021

Due to the COVID-19 pandemic, the 2021 Snow Rodeo FIS Snowboard Slopestyle World Cup at Calgary Olympic Park must take place under a strictly managed environment. In compliance with the International Ski Federation (FIS) as well as National and Local Health Authorities we will be following all health and safety measures that have been put in place. All measures outlined in this document are in accordance with the current regulations, last updated on December 30, 2021. The organizer reserves the right to make necessary changes, which will be implemented immediately. All information in this document is to be shared with all team members, FIS officials and employees registered for this event prior to your arrival in Canada.

All communications regarding COVID-19 protocol should be directed to [info@canadasnowboard.ca](mailto:info@canadasnowboard.ca) **COVID-19 Coordinator: 905-999-3132**

### General Prevention and Mitigation Guidelines

- Take responsibility for your own actions
- Masks required at all times on hill and inside the host hotel
- Practice social distancing at all times including chairlift lines, on snow and during competition
- Wash hands or sanitize often
- Avoid use of public facilities and transportation when possible
- For teams - use athlete/participant designated facilities (restrooms, staging areas, lift lines, etc.)
- Team Captains meetings will be held virtually
- For more information on FIS World Cup prevention guidelines and testing protocol refer to the [FIS Covid-19 Information hub](#)
- If you are feeling unwell and/or showing COVID-19 symptoms please immediately inform the LOC by calling the COVID-19 coordinator. You can reach this number daily between 7:00 to 23:00 until your departure.

- b. Complete the [ArriveCan app](#), failure to complete the ArrivaCAN application will result in denied entry to Canada
  - c. In the event of a connecting flight the PCR test must take place within 72 hours of the scheduled departure time of your last direct flight to Canada. Arrange for a PCR test in your transit city if necessary.
3. Upload vaccination status to the FIS passport no later than December 19, 2021 for FIS member or show proof of vaccination during accreditation pickup for non FIS members
4. Have a quarantine plan prepared in case you are asked upon arrival in Canada.
5. **As of November 30, 2021 the Canadian government has announced that the implementation of mandatory arrival testing to Canada may begin any time. This means all international travellers (with the exception of those coming from the US) will require a PCR test upon arrival at the airport in addition to the instructions outlined above. Once your test is complete you will need to self isolate at your accommodation until you receive a negative test result, please allow a minimum of 24 hours to receive test results. We will continue to monitor the situation and will communicate updates as we receive them. Please refer to the [Government of Canada's website](#) for more information.**
6. If the implementation of mandatory arrival testing outlined above does not come into effect, Canadian Border Control may select you for a random COVID-19 test upon arrival into Canada. (If you are selected at the airport for randomized testing you are NOT required to quarantine while waiting for your results.)

## While in Calgary
